Megaworld to turn over P30-B worth of Fort projects this year

Around 2,300 residential units are due for turnover in McKinley Hill, McKinley West and Uptown Bonifacio

MANILA, Philippines, March 19, 2018 – Property giant Megaworld is turning over a huge bulk of its residential projects in Fort Bonifacio this year.

Around 2,300 residential units from five condominium developments in its three Fort townships worth P30-billion will be turned over to owners within the year. These include: The Florence Tower 1, Viceroy East Tower and The Venice – Giovanni Tower in McKinley Hill; St. Moritz Private Estate in McKinley West; One Uptown Residence and Uptown Ritz in Uptown Bonifacio.

“This is so far our biggest inventory for turnover in Fort Bonifacio within a year. These projects are primarily located in our three bustling townships where demand for residential projects continues to go up, primarily fueled by the migration of several corporate offices within the Fort district,” says Noli D. Hernandez, senior vice president for sales and marketing, Megaworld.

Viceroy East Tower, The Florence and the Venice Luxury Residences boast of its strategic location surrounding the iconic Venice Grand Canal in McKinley Hill. These three residential developments are also within walking distance from educational institutions such as Enderun, Chinese International School and Korean International School, as well as from several office towers where companies like United Health Group, Wells Fargo, Samsung, Abbott and Concentrix hold their operations.

One Uptown Residence and Uptown Ritz, on the other hand, are strategically linked to Uptown Mall and Uptown Parade in the vibrant district of Uptown Bonifacio. One Uptown Residence, for example, has direct access to the mall via basement walkway. Both One Uptown Residence and Uptown Ritz are award-winning residential developments, garnering the Best Residential Architectural Design (Philippine Property Awards 2017) and the Best Luxury Condo Development for Metro Manila (Philippine Property Awards 2016), respectively.

St. Moritz Private Estate, likewise, is an award-winning development in McKinley West, having won the Best Universal Design in last year's Philippine Property Awards. It is the first residential tower development to rise in the new township and furnished with European home brands.

Megaworld is the largest single landholder and developer in Fort Bonifacio with four integrated urban townships covering a total of 107 hectares, namely, McKinley Hill, McKinley West, Uptown Bonifacio and Forbes Town. ###
